

Tessa Brandt

Plant stylist - installs and care for cafes, offices and homes

tessa@example.com · Vancouver, British Columbia · example.com

Plant stylist with twelve years around plants, from a nursery floor to office installs to my own practice. I choose, pot and look after plants for rooms with difficult light, and I leave every client a care schedule they can actually keep.

EXPERIENCE

Plant stylist

2021-04 – Present

Tessa Brandt Plant Styling · Vancouver

Installs and care rounds for forty cafes, offices and homes, most of them short on light.

Install lead

2018-03 – 2021-03

Greenline Interiors · Vancouver

Planned and led office plant installs of up to 300 pots, then trained the care crews.

Nursery floor and houseplant desk

2014-06 – 2018-02

Fraser Street Nursery · Vancouver

Four years answering what is wrong with this plant, forty times a day.

EDUCATION

Certificate in Interior Plantscaping

2018-01 – 2018-06

Pacific Garden School · Vancouver

Light measurement, irrigation and plant health for indoor installs.

Diploma in Horticulture

2012-09 – 2014-05

Cascadia College · Langley

Two years of plant science, propagation and greenhouse practice.
